Subject: REQUEST for PUBLIC HEARING ON LAHAINA WASTEWATER
INJECTION WELL PERMIT

Ms. Rumrill,

I oppose the granting of the permit unless additional conditions are placed on the permit as set forth in the letter of the DIRE Coalition to EPA, or at the very least, unless a public hearing is granted to hear additional arguments.

The DIRE Coalition letter reportedly does not contain all relevant evidence, and the DIRE Coalition is reportedly in the process of gathering additional data (and preparing their presentation) and will provide them to you at the public hearing that is being requested. Therefore, unless a public hearing is granted, IMPORTANT EVIDENCE that is directly related to the EPA activity will omitted from the decision-making process.

Thank you,
Philip Thomas
